Initial _____

Spay/Neuter Agreement

This cat is being sold with no breeding rights and on a spay/neuter agreement.

Initial _____

The new owner agrees that the kitten will be spayed/neutered before the kitten reaches 11 months old. New owner will provide the breeder with either documentation of the spay/neuter appointment or the veterinarian's guarantee that the appointment exists and will be carried out. Proof (e.g., veterinary bill, phone call from veterinarian) that the cat has been sterilized must be provided before the cat reaches 11 months of age. If the cat is not spayed/neutered by the 11 months of age and/or proof of sterilization is not provided, Tesoro cattery will enforce breach of contract for the maximum dollar amount.

Initial _____

Treatment of Cat

Under NO circumstances shall this kitten be de-clawed. Declawing is amputation and is often the cause of litter box problems ("inappropriate elimination"). This can lead to abuse or abandonment of the cat/kitten, a risk that the seller is not willing take. The purchaser agrees to, under no circumstances, allow the cat to be declawed.

Initial _____

Under NO circumstances shall this kitten/cat be permitted to live outdoors.

Initial _____

The new cat should be confined to a private room with toys, food, the kitten's litter box, and plenty of human contact until accustomed to his/her new surroundings.

Cattery will provide a list of the foods and supplements the cat has been eating. Please be careful that his or her diet is not changed drastically. The cattery will make her best effort to send home a sample of what the cat is eating, as well as a bag of litter and a bottle of the litter box cleaning solution the seller uses to help new owner through the first few days.
